## LESS BARRY AND MORE PLAYERS

Sergeant's Medicine Men Trim Cavalry Batters by Nine to Five

Sergeant Barry carried out his threat yesterday at Leleia. His medicine men clipped the wings of the Fifth Cavalry batters, putting a double crimp in the horsemen's chances for the Military league championship. The sunny sergeant alighted from the train at Honolulu last evening with a chest on his back like a poultice and as proud as a peacock. The Hospital corpsmen laid out their adversaries 9 to 5, and they came away before the audience, leaving the troopers to dope out what happened. No word had been received up to a late hour last night from Schofield Barracks.

"They wanted less Barry and more players," the sergeant said last night, "and they got their wish." Barry was on the job all the while, however, with Spaulding's book of baseball rules to the 10th to coach the umpire and he saw his men from an erroneous decision through the game was held up about ten minutes during the argument in which everybody advanced an opinion. Butler hit a ball which rolled over the line between home and first, and the umpire called it a fair ball. The game was stopped right there and the umpire was overruled. Another one Butler made a safe hit, but when he reached first base he turned to his left and the umpire called him out. Sergeant Barry immediately turned to his little book and reversed the umpire's decision on the latest ruling that a runner can turn either way this year when reaching first. The Cavalry grabbed a good deal but they had to pay Barry's medicine. Barry took the name of Fred Walker out of Leleia to help out in the umpiring and he and a cavalry sergeant altered and.

The two teams played an even game up to the sixth inning. In the first half the Cavalry scored a run and in the third half scored two, just to show there was a hard feeling, and at the beginning of the sixth it was three and three. In the sixth the Hospital team made three runs in one half of the inning, and a double play in this inning. Butler made a home run in the seventh, a double by the cavalry left him. One man was out in the second half and there was a man on first when the cavalry batter hit a fly which was caught by the second baseman, putting the batter out, and the second baseman threw to first before the runner got back. Butler, at first, made a wild throw to third in the sixth and the cavalry batter reached the first sack while the runner from second landed safe on third. The seventh and eighth innings went on to nothing each in turn of the cavalry and at the beginning of the ninth the score was five and three in Barry's favor. In the ninth the regulars went all to pieces and the Hospital made three runs, ending the game 9 to 5 while the defeated horsemen called the visitors "Pig tails" and "Pig eaters."

Following are the lineups and score by innings:

Hospital team—Solomon Ho, lf; Barry Chillingworth, ss; Henry Bush, 3b; John Williams, p; John Townsend, cf; John Butler, 1b; Jack Ross, c; Joe Torres, rf; and Abe Lott, 2b.

Fifth Cavalry—Farris, lf; Brown, cf; Lieutenant Groninger, 2b; Hanson, cf; Sander, ss; Walters, 2b; Curtis, 1b; and Robinson, c.

## ASAHIS SHUT PALAMAS OUT IN MORNING GAME

The Chinese team of the Oahu Junior League stole a game from the Palamas by one run in the first of the morning matches at Athletic Park yesterday making the score six to five, while the Asahis shut out the Palamas in no time.

In the first game the Chinese scored the first run in the first inning, and then there was nothing doing until the eighth when they took the other three. The Palamas did not get into the running until the fifth when they failed to score again in the next inning. With a double three in the eighth, Walter, the Palamas pitcher, struck four out and walked three, and Ahana scored thirteen and walked four. Following are the lineups, score and summary of the game:

## JAPANESE WIN ON UMPIRE'S DECISIONS

Barney Blinks While Two Men Score Runs on Foul Ball.

Amid clouds of dust eighteen hundred Oahu league fans sat during yesterday afternoon and witnessed two of the biggest swiftest ever pulled off in Athletic Park. The strong wind that blew down the valley during the afternoon kept a continual cloud of dust swirling through the grandstand and bleachers, and the vision of Barney Joy, the league's official umpire, seemed to be more or less affected by the tiny obstacles. On two occasions at least during the first game, he rendered rather doubtful decisions. One ball that rolled over the line near first he called fair and the Japanese team scored two runs. He called another Jap safe on third when the fans were the most unanimous in the opinion that the baseman touched him out. The Chinese lost the game by a score of eight to four and went off the field looking rather glum.

The Marines, with all their Philippine reinforcements, fell down again in the second game yesterday. The Portuguese doubled on them, ten to five, at the finish.

The large score made by the Portuguese was charged up to Weidmann, who relieved pitcher Hines in the seventh. Weidmann, who is one of the Manila contingent, has the reputation of being a good pitcher, but he has been out of the game for the last three months.

The P. A. C. drew first blood in their half of the first inning and though they got eight men on bases during the next four innings, they were not able to convert their hits into runs.

The Japs did not score until the third when they captured a lone tally. In the sixth, however, the Japs succeeded in getting two men on bases, and after two men were out, a doubtful hit along the first base line brought in two scores. Somewhat discouraged, the Chinese allowed the Japs to pull in three more in the seventh and two in the eighth. Then in the last half of the eighth the celestials pulled themselves together and ran off three runs, putting the score where it stood at the finish.

Following is a summary of the game and the score by innings:

O. A. C.—Runs, 8; Hits, 10; Errors, 0; B. H., 2; 8 to 0.

Palamas—Runs, 4; Hits, 10; Errors, 1; B. H., 2; 4 to 0.

Summary: Three base hits, A. Alana; two base hits, Walker; sacrifice hits, A. Alana, Rice, Kealoha; left on bases, C. A. C. 12, J. A. C. 6; first base on errors, C. A. C. 5, J. A. C. 4; double plays, Rice to Franco; struck out, by Kealoha 8, by Ayon 6; bases on called balls, off Kealoha 5, off Ayon 3; passed balls, Hoopli, Umpire, B. Joy; scorer, W. Raposo. Time of game, one hour fifty five minutes.

## AMATEUR ATHLETES ORGANIZE TOMORROW

Local Clubs Will Join Pacific Branch of National Union.

Delegates from all the local amateur clubs will assemble at Lorrin Andrews' office in the Yokohama Specie Bank building this afternoon at five o'clock to perfect the organization of the local branch of the Pacific Amateur Athletic Association. A meeting was held two weeks ago today, representatives of eight different clubs being present. These delegates have since obtained authorization from their respective representatives to unite with the Pacific branch of the Amateur Athletic Union of the United States, to elect officers and five delegates at large.

The names of the officers and delegates elected and a list of the local clubs represented at this meeting will be forwarded to President Sullivan of the national organization at New York and all will be enrolled in the membership books of the parent organization at the next annual meeting of that body, which will occur on the fifteenth of October.

It is the earnest hope of all who have the interests of amateur sports in the Islands at heart that every local club will be represented at the meeting today, so as to make a good showing from the start.

Pressing business and the difficulty of ascertaining the names of the presidents of all the athletic clubs in Honolulu has made it impossible to extend individual invitations to all. It is thought, however, that all who desire to participate in the movement to segregate the amateurs and professionals, clarify the sporting atmosphere and bring order out of chaos will manifest this desire by attending today's session.

Among the organizations invited to send representatives are:

The Outrigger Club, Ocean Club, Mry-

## FIGHTERS GO THROUGH HARDENING UP PROCESS

Nelson and Cornyn have started on their second week of training for the bout on Kamehameha Day at Aloha Park. Dick Sullivan is helping to put his brother in trim for the battle, and Jim Hoag favors Cornyn with three fast rounds every day. Sarcone and the marine scrappers are developing Nelson's ability. Simmons and Gans are getting in shape for their four-round go, and Tim Torrian and Jim Hoag are getting up steam for their six rounds in the preliminaries. Nelson has cleaned up everything in his class about here, but Cornyn is a little more than he has tackled before.

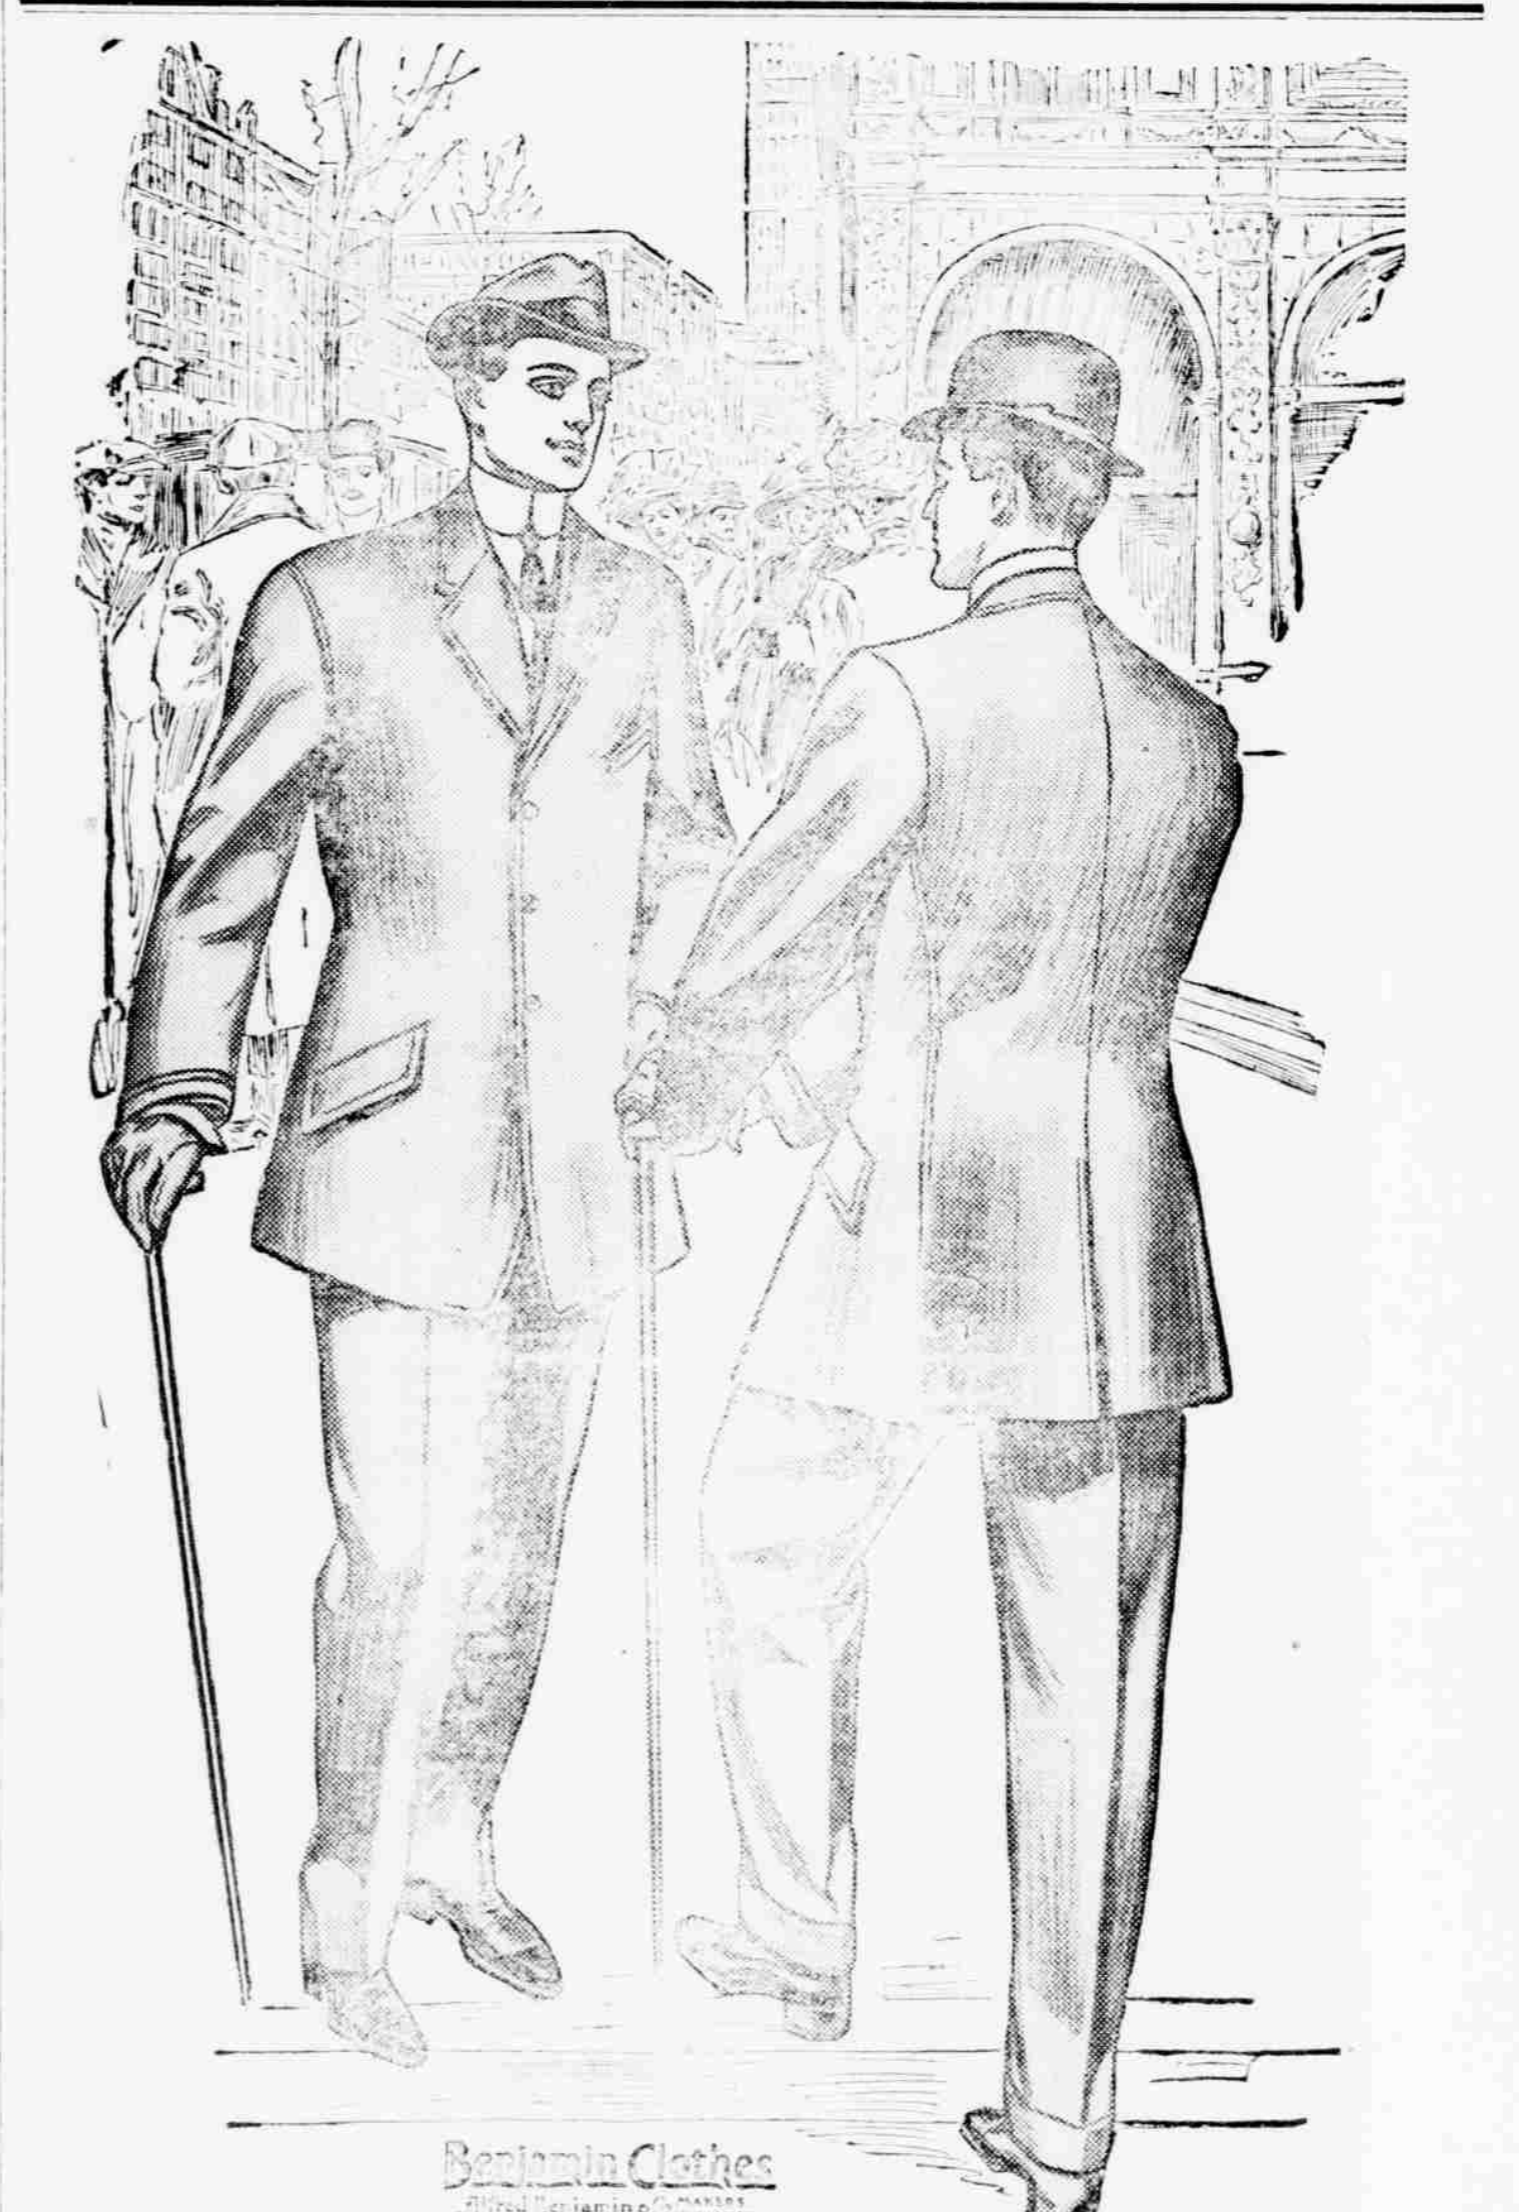

## BENSON-SMITH TEAM BEATS UNION FEEDERS

Benson, Smith & Co's baseball nine defeated the crack team from the Union Feed Company in a fast and exciting game of baseball at Ala Park yesterday morning by the score of eighteen to six. The druggists connected with the leather froly and always held the game safely. Charley Macfarlane twirled for the winners and his assortment of curves was mystifying to his opponents. Solomon Palau and Sam Akai umpired the game and their decisions were satisfactory to both teams.

Following is the lineup of the winners and score by innings:

Benson, Smith—E. Nakamura, ss; Bob Misk, lf; Carl Oss, 2b; Jas. Chock, 3b; Ah Hook, 1b; Henry Lee, cf; Kiro, rf; I. Flores, c; Macfarlane, p.
